

IDEAL School Program Computer Guidelines and Contract

I understand that I must provide my computer password and any change to that password without notifying IDEAL staff will result in the loss of computer privileges.

1. I will not change the settings of the classroom computers.
2. I understand I may not use an audio CD/Video/DVD on a PLV computer unless it is for a school assignment.
3. I know I can use PLV computers to access information worldwide.
4. I will respect copyright laws and will not make nor download unauthorized copies of copyright protected materials.
5. I will not intentionally access information that may be obscene or offensive toward any individual (including or seemingly gang-related) nor will I place any such information on the network or Internet.
6. I will respect the security of any computer system or network and will not try to gain unauthorized access to system programs, computer systems, or another person files.
7. I will not use the computer systems to disturb or harass other computer users.
8. I will not waste or take supplies and will print only school assignments.
9. I will not use the network for financial gain or any commercial or illegal activity.
10. I will not engage in vandalism, including bypassing security systems, harming or destroying any data on the PLV network or Internet.
11. I understand PLV is not responsible for any expense I incur or purchases I make while accessing an on-line service such as the Internet.
12. **I understand Internet access to free email, chat rooms, bulletin boards and guest books is not allowed.**
13. I understand school computers and all files or information stored is the property of PLV, and as a user, I have no privacy when using these computers.
14. I also understand PLV staff reserves the right to inspect contents of my folders at any time and may delete any non-academic or inappropriate files.
15. I understand the computers are used for saving academic work, not for downloading games, sound files, image files or video files for personal use.
16. I understand that violation of the above statements will make me subject to disciplinary action and can include the immediate suspension of computer privileges.

First Offense.....loss of all computer privileges, including the Internet, for 30 days

Second Offense.....loss of all computer privileges for the remainder of the school year

I have read this contract and I understand my rights and responsibilities as well as those of IDEAL School and school representatives. I agree to abide by the terms and conditions set forth above. I agree to hold PLV schools, IDEAL School and school representatives harmless from any claims resulting from my use of the Internet, which may damage me or another party.
